

We here at Moncho's Cart Rentals have partnered with Kyle Thomas a local Real Estate Agent here in San Pedro, Belize and are offering the chance to receive either a 20% discount or Complete Reimbursement of your total Rental Costs. Here is how it works:

1. If you are interested in looking at homes, businesses, condos or land here in San Pedro while on your stay then Kyle Thomas is offering a **20% discount for a No-Obligation tour** of the properties. This is not a "Time Share" it is simply a private showing of any potential properties that may interest you. No pressure and no obligation!
2. In the event that you decide to purchase a property your **full rental** costs will be refunded back to you at successful closing on your new investment.
3. If you are interested in this discount on your rental please enter code: **coldwell123** into the discount code on the reservation form. Kyle Thomas will then get in touch with you prior to your visit to make arrangements to see properties of interest to you.
